## To Make New Assessment In M.D. Mountain View

The regular meeting of the council of the Municipal District of Mountain View No. 49 was held in session on Thursday, October 6, with Reeve Chas. Fox presiding and councillors W.J. Bagnall, H. Goodier, H.J. Goeyon, W.H. Metz, Fred J. Niddie and Earl B. Dodd in attendance.

Mr. Lloyd of the Department of Municipal Affairs was present and discussed the advisability of making a complete new assessment of all lands and hamlets in the municipality, due to inequality of the present assessment. Council passed the necessary resolution asking for a ministerial order to make such new assessment, and Mr. J.J. Miller of Calgary was appointed assessor.

Moving on road allowances was discussed and it was decided to continue the work on several roads in the municipality.

The Department of Agriculture advised that arrangements had been made to hold meetings at Carstairs on November 7th at 2 p.m., at Crossfield on Nov. 7 at 8 p.m., and at Oids on Nov. 8 at 2 p.m. to discuss the advisability of establishing a restricted area for the eradication of Bovine Tuberculosis (T.B. Free Area). Dr. Baillentine, provincial veterinarian, and Dr. Storey, dominion veterinarian, will both be present at these meetings to give farmers any information that may be desired.

The secretary was instructed to make an offer to the Hall Insurance Board of \$200 to settle the old hall insurance debt of the municipality.

An application for the lease of a road allowance west of section 10-32-15 was refused.

Council was advised that a meeting of the Central Alberta Association of Municipal Districts will be held at Red Deer on Saturday, October 29th at 2 p.m., and councillors Niddie, Metz, Goeyon, Dodd and the secretary were appointed delegates to attend the meeting.

A communication from the Cremona Board of Trade requested a by-law to institute parking and traffic regulations for the hamlet

of Cremona. The necessary by-law was passed, subject to the approval of the Minister of Municipal Affairs, and provides for angle parking on the north side of Railway Avenue between the east side of First Street East, and on the east and west side of Centre street.

Trucks and school vans must be parked in a lateral manner on the south side of Railway Avenue. Arrangements were made to purchase 3,000 feet of snow fence to be used in Divisions 2, 3, 4, 5 and 6, as well as to sell the old Beaver Dam blade grader to the Costello Equipment Company for \$650.

Approval was given for the granting of a license to Leonard Hager, S.W. 10-30-20 east of Carstairs, for the operation of a service station and confectionery.

A communication from the Department of Agriculture stressed the need for farmers to obtain seed grain early as good seed will be very scarce before spring.

A report on the travelling program showed that travelling had been completed south of Cremona towards Valley View, on the Westcott road, and near Rugby. Graveling projects are proceeding on the town line east of Oids, and on a three mile stretch north and west of Oids.

The road west of Elkton has been graded, the grade on the Carstairs blind line has been completed, and the roads in the Hamlet of Cremona have been graded and gravelled.

## Earl Brinton to be Superannuated on His 65th Birthday

Mr. Earl Brinton, popular C.P.R. agent at Didsbury for the past nine years, is the first railroad agent at this point to be superannuated, and while Earl does not officially go on pension until the end of the month, he is now on two weeks' holiday and is enjoying a well-earned rest.

Mr. Brinton started railroading in 1922 with the Boston & Maine railroad as assistant agent at Lynnfield Centre, Mass. He worked there until 1927 when he joined the Grand Trunk and worked at various points between Swanton, Vermont, and Depot Harbor, Ont.

Mr. Brinton came west in 1910 and in the month of May started working for the C.P.R. as operator at De Winton, Alberta. He stayed there until 1933 when he moved to Cayley as C.P.R. agent, and remained there until September, 1940, when he took over the agency at Didsbury.

Mr. Brinton has seen many changes in Didsbury since 1940, and as he says, mostly for the best. He has been a faithful citizen and a reliable employee of the C.P.R., and the best wishes of the community are extended to both Mr. and Mrs. Brinton for their future happiness.

Mr. and Mrs. Brinton plan on spending the winter with their daughter, Mrs. Cameron, at Salem, Oregon, and on returning in the spring will either take up residence in Didsbury or Calgary.

The weather really took a sudden change the first of the week when about six inches of snow fell Monday, accompanied by colder temperatures. It was only ten degrees above zero Tuesday morning, but it is hoped that this first snow will not stay this early in the season.

## Buy a Poppy For Remembrance Day

The red blood poppy of Flanders is immortalized as an emblem of SACRIFICE and Remembrance for honouring of the thousands who died in foreign lands, laying down their lives for those things which we as Britons cherish. It speaks to us of sacrifice. It calls upon us to remember not only those who have died but those they left dependent, those who still suffer from honorable wounds and disability.

It challenges us to serve in Peace and War; to help those who need our help; to protect those who need our protection.

In purchasing a poppy you are asked to do so in that spirit.

## FISH & GAME ASSOCIATION MEETING FRIDAY, OCTOBER 28

The Didsbury Fish and Game Association will hold a regular meeting in the Lions' Hall on Friday, October 28th, at 8:30 p.m.

At the close of the meeting colored pictures will be shown depicting scenes in the Yukon, including game and beauty spots in Canada's Northwest Territories.

A full attendance of members is requested. The ladies should at least be interested in the pictures.

## Irwin Klein Again President of the Local Curling Club

Plans for the 1949-50 curling season were made at the annual meeting of the Didsbury Curling Club held on Thursday evening, October 13, and the following officers were elected:

Honorary president, A.G. Studer; president, Irwin Klein; 1st vice-president, H. Gilchrist; 2nd vice-president, A. Esler; secretary-treasurer, F.L. Evans.

Membership Committee: J. Worde, chairman, with power to add.

Schedule Committee: Harry McCullough, chairman; J. McCloy, A. Reiner, G. Law, Len Berscht.

Ice Committee: J. Gintner, Irwin Klein and J. Worde.

Tom Morris was elected as the representative of the Community Centre Board.

Curling dues for men were set at \$12.00 and the season will start with an open bonspiel, with an entry fee of \$1 per player.

It was decided that rinks will not be picked this year, but any four curlers can get together and enter a rink. In order that a complete list of curlers can be compiled arrangements have been made to have lists placed in the Pool Hall and the Hotel, and all curlers are asked to add their name to the lists immediately.

Henry Erb was appointed caretaker for the season.

The financial report showed that the new curling rink has all been paid for but there are \$2100 in ten-year debentures outstanding.

Repairs to the curling rink this year will include the installation of roof ventilators.

## Fulkerth Kentucky Saddle Horse to be At Toronto Royal

The Toronto Royal Winter Fair will have a good showing of livestock from all parts of Alberta and among the entries will be an American saddle horse, owned by J. Walter Fulkerth of Didsbury. To date this is the only entry from the Didsbury district, but since the Fulkerth horses have won a number of prizes at various fairs in Alberta this summer, no doubt the local entry will make an excellent showing.

The Hon. D.A. Ure, Minister of Agriculture, announced this week that seven pairs of livestock will be included in the Alberta exhibit going to the Toronto Royal Winter Fair which commences on November 15th.

Represented in the exhibit will be Clydesdale, Percheron and Belgian horses, as well as some light horses. Most entries will be represented by stock of the Hereford, Aberdeen Angus and Shorthorn breeds. A group of fat steers will also be included, in dairy cattle Jersey and Holsteins have been included.

## Coleman Home at Cremona Burns

The of unknown origin gutted the home of Mr. and Mrs. M. Coleman on Tuesday morning, October 11. Mr. and Mrs. Coleman farm two miles west of Cremona and were in Cremona at the time of the fire.

The blaze was discovered by A. Wiggins of Cremona who was able to save only a few pieces of furniture.

Mr. and Mrs. Coleman were contacted in Cremona and notified of their loss.

The Coleman children, Viola, Alvin and Nina are making their home with Mr. and Mrs. Jack Camps in Cremona. Viola, who had had an appendectomy, had returned home only a few days previously.

Neighbors and friends have begun construction of a new home for the family, and a purse of money will be presented to them later. Sunday afternoon a kitchen shower in honor of Mrs. Coleman was held at the home of Mr. and Mrs. Riesby.

## CHARIVARI FOR MR. AND MRS. TED DAGEFORD

A large crowd gathered at the Westcott school on Friday, October 7, to charivari Mr. and Mrs. Ted Dageford.

The evening commenced with community singing, followed by a very enjoyable program consisting of a song by Alex Robertson, musical number by Norman Tuggle, solo by Jack Edwards, Alex Robertson and Norman Tuggle, solo by Jack Edwards, solo by Jack Robertson, solo by Don Robertson, duet by Doreen and Pat Rennie, and several musical numbers by Bill Tehms orchestra.

Miss Gene Dageford assisted in sponsoring the lovely presents, and which was served by the ladies.

The wish of the community is that Mrs. Dageford has recovered from her illness and every success and happiness is extended to them in their new home in Didsbury.

## Mrs. Ehret Host To Lone Pine W.I.

The Lone Pine W.I. held its October meeting at the home of Mrs. Chris Ehret with twelve members answering the roll call.

The correspondence was read and discussed. A questionnaire from the district agriculturalist was answered and sent in. It was decided by the W.I. to buy crepe paper curtains, and provide material for an out building for the hall.

All last minute details were arranged for the bazaar and picture show to be held in the Lone Pine Hall on October 21st at 8:30 p.m. The picture decided upon was "Tundra," the story of a lost doctor in Alaska, together with two short ones.

Mrs. Sam Elliott gave an interesting paper on Canadian Industries 30 cents in one-cent pieces was collected for the A.C.W.W. The objective for the month was \$200 for most of the members to buy paper towels and rollers.

An auction sale was held and netted \$5.75, with Mrs. Schumaker acting as auctioneer.

The bit of fun put on by Mrs. Elliott was "Know B.C." and was won by Mrs. Alan Hughes. The 10 draw netted \$1.20 and was won by Mrs. Walter McCulloch.

God Save the King brought the meeting to a close and a lovely lunch was served by the hostess.

## C.G.I.T. Groups Elect New Officers

The first meeting of the C.G.I.T. was held in the form of a hike and the girls from both senior and intermediate groups attended. Active games provided the entertainment.

Following the hike the girls were ready for their supper, which concluded with a special treat of roasted marshmallows, provided by Miss Willison. The campfire and song song, followed by the devotion, led by Miss Willison, brought to a close a delightful evening.

The following officers were elected at the next meeting:

Department - President, Laura McCoy; vice president, June Kinck; secretary, Irene Erb; treasurer, Pat Leavens; press agent, Mona Stevens.

Senior Group-President, Leona Blum; vice president, Marlene Le Grand; secretary-treasurer, Carol Leavens; press agent, Geraldine Ford; Leader, Miss Evelyn Willison.

Intermediate group officers have not been elected. Leaders, Miss Ivy Serge and Miss Doris Bainbridge.

## Westcott W.I. Has Interesting Meeting

The Westcott W.I. met at the home of Mrs. Kinck Sr. on Wednesday, October 12th, a week late on account of the rain the previous week, with 21 members and two visitors present. Roll call was answered by giving a suggestion for a better bazaar.

Mrs. J. Robertson informed the gathering about the executive meeting to be held at the home of Mrs. Ruth Eckel in Didsbury on Saturday, October 22nd, at 2 p.m. Mrs. Ford read a letter from the Corresponding W.I. in Norham, England, written to Mrs. J. Hughes to thank her for sending some of her poems to them.

The bazaar is to be held at the Westcott school house on Friday evening, November 4th, at 8:00 p.m. sharp. A lunch committee and program committee were named to look after all details.

Each member gave a report of what she had made with the \$2.00 given out last spring to see what she pleased for the bazaar.

The candy contest for the next meeting was changed to a "display" so as to have a better variety for the candy table at the bazaar. The Famous Artist was taken this month by Mrs. A. Robertson. She chose "Woodland Interior" by Charles W. Jeffreys. Mrs. G. Ford missed her turn last month, so she gave "The Blueboy" by Gainsborough.

Mrs. Ford also had charge of the bit of fun.

Mrs. H. Goeyon, Mrs. Ernie Walker and a visitor from California, Mrs. Vogel, were asked to be the judges for the mitt and sock contest, and prizes were won as follows: Socks—1st, Mrs. B. Dubois; 2nd, her mother, Mrs. J. Luft.

Mitts—1st, Mrs. Raymond Shantz; Mrs. Ock Robertson and Mrs. G. Ford tied for second place.

Mrs. Ernie Walker joined the Institute at this meeting, making the 25th member.

The next meeting will be held at the home of Mrs. Raymond Shantz on Thursday, November 3, at 2 p.m. Ladies! Don't forget the candy display.

## Miss Lucille Collinge Honored at Shower

A very enjoyable evening was spent at Springside School on Wednesday, October 12, when Mrs. George Jones, assisted by the ladies group including Mrs. Nelson, Mrs. McDonald, Mrs. Wollen, Mrs. Kershaw, Mrs. Morton, Mrs. Chamberlain, and Mrs. Petersen, entertained at a shower in honor of an October bride-elect, Miss Lucille Collinge. A very large crowd attended.

With Mrs. Wollen acting as master of ceremonies, an interesting and amusing program of games, plays, etc., was held, which caused lots of fun and laughter, also piano selections by Mrs. Bothers, song and guitar selections by Audrey Radford, a reading by Mrs. Wollen, were some of the highlights.

After a few minutes chatting, a beautifully decorated basket, representing a leghorn hen and baby chicks, well filled with "shower gifts," was then carried in by Judy Bodney and Georgina McDonald and presented to the bride by Shirley McDonald, with the good wishes of everyone.

Lucille was assisted in untying the gifts by her sister Marjole, Edith Collinge, Hazel Jackson, and Greta Kershaw. One of the gifts was a chest of Roger's silverware, presented to the bride from the Springside ladies group and their friends.

In a few well chosen words both groom and bride-elect thanked all present.

Lunch was then prepared by the ladies group with Lucille's girl friends, attended by the bridesmaids and aunts, doing the serving under the supervision of Joyce Nova. Mrs. Gilmore was in charge of all the lovely decorations.

To complete the evening's program, a couple of hours of "Real old time" dancing was enjoyed by young and old, to the music provided by Mrs. Bothers and Mr. Tom Collinge.

CHINESE STEWARDESSES FOR CANADIAN PLANES

A new and charming addition to the ranks of the Canadian air line stewardesses are these three Chinese girls, slated for duty on the Canadian Pacific Air Lines flights from Vancouver to Tokyo and Hong Kong, shown being welcomed at Vancouver airport by their Canadian colleagues, the girls will soon shed their picturesque Oriental costumes for C.P.A. stewardess uniforms, and will share duties with

Canadian girls on the 6,500-mile run, one Chinese and one Canadian girl to each plane. On the C.P.A.'s Australian service, Australian and Canadian stewardesses share duties. Left to right are Lorraine Ngu, Shanghai; Minerva Dunkerley, Vancouver; Joyce Lam, Hong Kong; Barbara Aycliffe, Port Alberni, B.C.; and Gloria Woo, Hong Kong. A fourth Chinese lass, Dulcie Hall, of Hong Kong, arrived in Vancouver earlier.

### NOTES FROM THE WEST

Mrs. F. Batten was the recipient of many useful gifts at the shower held at the home of Mrs. A.L. Hogg on Thursday last.

Mrs. Harvey Hoggood visited her husband at the University hospital in Edmonton on Saturday and spent Saturday night at her brother's home at Clive. She returned home Sunday and reports that Harvey is "doing nicely."

Owing to the adverse weather the Rugby W.C. postponed the school drive which was to have been held at the home of Mr. and Mrs. Roy McNaughton on Monday evening, and the event will now take place on Monday, October 21. Mr. and Mrs. W. Rigby spent Wednesday of last week with Mr. and Mrs. A.L. Hogg.

Mr. and Mrs. E. Fisher visited the latter's parents, Mr. and Mrs. P. Byrd, on Sunday.

The Elton Village Workers served lunch at the J. Kynel sale on Tuesday, October 11, and wish to thank Mr. Kynel for his generosity.

Mr. and Mrs. Adam Luft and family were supper guests Sunday with Mr. and Mrs. P. Luft.

### WESTERDALE NOTES

Mrs. A. Jackson was hostess to the Village Workers Society last Wednesday afternoon when fourteen members and one visitor were present. The roll call was answered with "something you particularly dislike doing."

The business session consisted of arranging for a day to work on the hall to install two ventilators, complete siding, laying of floors in the dressing rooms, installing curtains for the stage and also to repair the fence at the church. Tuesday, October 25th was the day set. The ladies have agreed to serve the men their dinner at the hall so that a full day may be spent in the hopes that all the work can be completed.

A donation of \$10 was sent to the Boyce Polo fund.

The treasurer was asked to purchase fifty copies of community song sheets, and a motion was passed that the Society pay \$75 on the furnace installed in the hall last spring.

Mrs. Frank Horbert was the lucky winner of the tea money prize. The November 9th meeting will be held at the home of Mrs. F.J. Jackson.

The Westerdale Young Peoples' Club is holding a dance in the hall on November 14th.

Mr. Fred Needham returned to his home at Lousana last Thursday after spending a month's visit at the home of Mr. and Mrs. H. Jackson.

An executive meeting of the Westerdale Young Peoples' Club was held at the hall last Wednesday evening when considerable business was transacted.

The Junior F.T.A. and the Westerdale school children were obliged to postpone their social evening originally planned for November 14th to November 18th.

Bill Wigley of Calgary was an overnight visitor last Wednesday at the home of his grandparents, Mr. and Mrs. L. Jones.

### CANADA'S WHEAT BEST

Canada has exported 1,050,000 bushels of wheat with a value of over \$2,500,000 to Mexico during the past few months. This is the first wheat Canada has shipped to Mexico for four years. Mexican millers are reported to have stated that this is the best wheat that they have processed in recent years.

Our Climate And  
Our Weather

(Royal Bank News Letter)

Climate is one of the greatest up-  
setters of the human plans and ac-  
tivities. It dictates our economy,  
what we wear, the kind of house  
we live in, the sort of food we eat,  
how hard we work, and even when  
and where we spend our vacations.  
Farmers and industrial magnates  
must bow to it; all animal life,  
from insects to elephants, live and  
die under its rule.

Mankind has never known a  
"normal" climate. We of 1949 are  
at the tail end of an ice age, living  
in a time following a period of  
climate violence as great as any  
the earth has ever known. Several  
of these periods can be traced on  
the earth's crust, and between  
them there have been long ages of  
gentle climatic uniformity, looked  
upon by geologists as "normal"  
times.

Climate runs in cycles. Our oldest  
records, around Rainy Lake in  
Western Ontario, reveal gravel de-  
posited under physical conditions  
not greatly different from those of  
today.

We are all familiar with the daily  
cycle in temperature zones: a maxi-  
mum temperature in early to mid-  
afternoon and a minimum shortly  
before sunrise. The annual range  
is also familiar, through the vari-  
ety of temperature, rain, snow and  
wind that makes up Spring, Sum-  
mer, Autumn and Winter.

Next in significance, probably, is  
the sixty-year cycle of weather,  
corresponding to the cycle of sun-  
spot frequency. Records kept for  
more than two centuries show that  
sunspots were at a minimum in  
number and extent twice in about every  
60 years on the average. Since the  
sun is the source of our heat and  
the basic cause of our weather  
changes, it is natural enough to  
suppose that cycles of weather  
should correspond to such changes  
in the sun's condition, although  
this is not yet proven.

One point about which there  
seems to be general agreement is  
that the earth's surface is getting  
warmer. Just a month ago Profes-  
sor G.I.T. Kimble and Professor E.  
S. Larsen, both of McGill University's  
Department of Geography, tallied up  
the score for this summer, added  
it to their charts, and we de-  
cided that we are well on our way  
to a new type of climate in the  
countries bordering the Atlantic  
coast.

Summers they say are getting  
progressively hotter and longer;  
winters are milder. But, they hasten  
to add, our historical records go  
back only a short time—merely for  
seconds on the clock of the earth's  
progress. The present trend, de-  
tected in the 1880's, "may be just a  
shiver in the world's weather, but  
might also be the road back to a  
much different climate."

We are rising out of a cold  
period that had its greatest depth  
about 1,500,000 years ago. Glaciers  
all over the world are receding rap-  
idly; the permanently frozen sub-  
soil in northern Canada is melt-  
ing slowly; ships can now reach  
Svalbard, north of Norway, dur-  
ing nine months of the year in-  
stead of three months of thirty  
years ago. When we are entirely  
out of the ice Age there will be for-  
ests in the Interior of Greenland  
where the ice is now two miles  
thick.

## EVANGELICAL CHURCH

Rev. A. J. Grams, Pastor

Sunday Services: 10:30 a.m., Wor-  
ship service, 11:30 a.m., Sunday  
school.

7:30 p.m., evening service every  
Sunday with the Youth Fellowship  
in charge at every other Sunday  
evening service.

Wednesday evening, 8:00 p.m. —  
Bible study and prayer meeting.  
Thursday evening, 8 p.m. — Choir  
practice.

Alternate Sundays at Bethel and  
Jutland: 2:00 p.m., Sunday school  
followed by worship service.

The pastor and congregation ex-  
tend a cordial invitation to every  
one to worship with us. "Come and  
we will do thee good."

## UNITED MISSIONARY CHURCH

Rev. E. G. Archer, pastor

Sunday school: 1:30 p.m. Worship  
Service 2:30 p.m.

Sunday evening service 7:45 p.m.

Young people's service every al-  
ternate Sunday at 7:45 p.m.

Wednesday evening prayer meet-  
ing at 8:00 p.m.

Davenport school: Sunday school  
and service each Sunday, 10:45 a.m.  
A friendly invitation to everyone  
to come and worship with us.

665,000 VISITORS SEE NATIONAL  
PARKS IN ALBERTA

Tourist trade in Alberta this  
year has drawn 665,000 visitors to  
the national parks, according to  
information received by officials of  
the Alberta Motor Association. It  
looks that an estimated \$20,000,000  
in outlays by tourists will be ex-  
ceeded. This will be a gain of more  
than \$2,500,000 over 1948.

Satisfaction over the showing is  
expressed by officials of the motor  
association. They point out that for  
many years the A.M.A. has advocat-  
ed greater expenditures on high-  
ways, convinced that the expendi-  
tures would certainly be a very  
profitable investment, returning  
far more than the original road costs.

In 1948, there were 183,281 per-  
sons visited the four national  
parks, Banff, Jasper, Waterton and  
Elk Island. This year there has  
been a 37.78 per cent increase in  
visitors.

Banff led all parks with a total  
registration of 324,491 compared  
with 271,892 last year. Elk Island  
had a total of 130,948, as against  
66,415 in 1948. The total for Jasper  
was 72,392, a gain of 21.24 per cent,  
while at Waterton the total was  
138,051, an increase of 67.8 per cent  
over a year ago.

## U.K. GRAIN YIELDS

It is officially estimated that  
grain yields this year in the U.K.  
will be high and the wheat yield  
may be a record. But despite the  
high yields, estimated wheat pro-  
duction of 72 million bushels, is  
considerably less than last year's  
production. The prospective yield  
of mixed grain and a good crop of  
hay are very encouraging for the  
livestock feeder.

## SMOTHERED IN GRAIN TANK

Ronald Goulet, 28, son of D. L.  
Goulet, Spirit River farmer, was  
smothered to death in a grain tank  
in an unusual accident which oc-  
curred recently. Ronny had ridden  
around on the combine with the  
operator for awhile after midnight  
and then decided he would have a  
rest. He went back to his grain  
tank in which there was one dump  
of grain, crawled in and laid down  
in the grain and pulled his coat  
over his head. The combine opera-  
tor didn't know anything about  
him being there and so dumped  
more grain into the tank and Ron-  
ny was smothered to death. The  
body was found the following day  
when the grain was unloaded in  
an elevator at Spirit River. Sur-  
viving are his widow, two small  
children and his parents.

PRESENTED BY  
THE ALBERTA BREWERS' AGENTS  
DEALING WITH

**PREDATORS OUTLAWED AT LARGE**

**WOLVES**  
The Killers of Livestock and Game

Wolf predation in the Northern and  
Western reaches of Alberta has assumed de-  
pate proportions, according to Mr. I.P. Callison,  
who recently made a survey of the situation.  
Mr. Callison claims that some of the finest  
game ranges in Alberta have been over-run by  
these many killers, resulting in rapid exter-  
mination of our game herds. As the game be-  
comes scarce, the wolves are beginning to spill  
over the ranges into the foothills and prairies  
to prey on valuable domestic stock. Evidence  
that wolves are on the increase is that the gov-  
ernment paid bounty on 800 kills in the year  
ending March 31, 1949.

Farmers and townspeople alike are urged  
to be on the lookout for these outlaws and take  
vigorous action to track down and destroy them  
if they make an appearance in the area.
